ORIENTATION CUM CAREER COUNSELLING SESSION CONDUCTED BY ICAI HARIDWAR CHAPTER

The Committee on Career Counselling of the Institute of Chartered Accountants of India (ICAI), Haridwar Chapter, organized an orientation cum career counselling session for students of Classes XI and XII. The session aimed to motivate and guide students towards choosing Chartered Accountancy as a profession.

Distinguished members of the ICAI Haridwar Chapter who graced the event included CA Vasu Aggarwal (CICASA Chairman, 2025–26), CA Sumit Sharma (Secretary, ICAI Haridwar Chapter), and CA Aditi Singhal, an empanelled counsellor of ICAI currently associated with the Project Monitoring Group under the direct administrative control of the Prime Minister's Office. The guests were warmly welcomed by Principal Mrs. Meenu Sharma, who presented them with bouquets as a gesture of respect and appreciation.

The session commenced with an address by CA Vasu Aggarwal, who spoke about the diverse roles of a Chartered Accountant in today's professional landscape. He inspired the students by highlighting the significance, respect, and opportunities associated with the CA profession.

Following this, CA Sumit Sharma emphasized the importance of the two crucial academic years — Class XI and XII — and encouraged students to always respect their teachers and parents. He also shared valuable insights on maintaining discipline and focus during these formative years.

CA Aditi Singhal delivered an impactful presentation that explained the various stages of the Chartered Accountancy course in detail. She informed the students that the CA course has one of the lowest fee structures among professional courses, thus making it accessible to all sections of society. She also effectively debunked several myths associated with the profession, providing a balanced perspective on both its challenges and rewards.

The session concluded with an interactive Q&A round, where students' queries were addressed by CA Aditi Singhal and CA Vasu Aggarwal, providing them with clarity and motivation to pursue the CA course.

The purpose of the session was to inspire young minds to consider Chartered Accountancy as a career and to equip them with the right information and guidance to begin their journey in the field. The session was compered by Avni Kaushik.
