INTER HOUSE COMPETITION MATHS MODEL MAKING

The school organized the Inter-House Mathematics Model Making competition for classes IX and X on August 20, 2025 in the school premises. The objective of the competition was to foster creativity, innovation, and the practical application of mathematical concepts among students.

All four houses, Rumanvaan, Sushen, Vasu and Vishwaivasu, participated with great enthusiasm. Each house presented innovative and well-prepared models based on a variety of mathematical topics, highlighting concepts from geometry, algebra, probability, trigonometry, and their real-life applications. The models were evaluated by a panel of judges comprising Mr. Rajendra Sharma (School Academic Coordinator) and the Mathematics Faculty. The evaluation was carried out on the basis of the following criteria:

1. Concept and Relevance 2. Creativity and Innovation 3. Practical application 4. Presentation

After thoughtful assessment, the winners were announced, and certificates were awarded to the top three positions.

LIST OF WINNERS		
HOUSE	CLASS	POSITION
CLASS- IX		
VISHWAVAASU	IX 'D'	I
SUSHEN	IX 'C'	II
VISHWAVAASU	IX 'A'	III
CLASS- X		
SUSHEN	X 'A'	I
VISHWAVAASU	X 'B'	II
VASU	X'B'	III

In the closing remarks, the judges praised the creativity and confidence of the participants and motivated them to keep applying mathematics in innovative and practical ways. The event concluded on a positive and inspiring note.
