

JAMDAGNI PUBLIC SCHOOL

Extends Support to Cloudburst Victims in Uttarakhand

At Jamdagni Public School, we strongly believe in the holistic development of our students — not just academically, but also socially and emotionally. In light of the recent cloudburst incidents that have caused widespread devastation in various parts of Uttarakhand, our school community felt a strong urge to contribute in any way possible to support the affected people.

Though we are located in a rural area and many of our students come from farming backgrounds, the NSS team of our school took the initiative to raise funds for this noble cause. With the collective efforts of our dedicated students and staff, a sum of ₹51,000 was collected.

This amount was formally handed over by our NSS Officer, Mr. Sumit Kumar along with Dr. S.P.Singh and Mr. Vikas Jamdagni to the state coordinator Dr. SUNAINA RAWAT of the NSS Unit in Uttarakhand. on 23/09/2025

We extend our heartfelt gratitude to the parents of our students for their generous contributions and for instilling such values of empathy and responsibility in their children. Their support has not only made this
