REPORT ON CYBERCRIME AWARENESS IN SCHOOLS

As per CBSE circular, today (22-07-2026) in our Jamdagni Public School to promoted awareness about safe and responsible use of the internet, a Cyber Security Awareness Presentation Activity was organized in the school. The activity aimed to educate students about the importance of protecting personal information, recognizing online threats, and practicing safe digital behavior. Raghav Bhardwaj our Computer Teacher organised the activity for the benefit of the students who are more tempted towards internet and get entangled in its misuses.
