

JAMDAGNI PUBLIC SCHOOL, LAKSAR REPORT ON PRAYOG (MODEL EXHIBITION EVENT)

Event: PRAYOG MODEL EXHIBITION

Venue: Coer University

Participants: Four students of Class XII

Project Topic: Virtual Lab

Achievement: Third Position

Jamdagni Public School, Laksar proudly participated in PRAYOG, a prestigious project-making competition organized at COER University. The competition witnessed enthusiastic participation from more than 30 schools, providing students with an excellent platform to showcase their creativity, innovation, technical knowledge, and problem-solving skills.

Our school was represented by four talented students of Class XII – Vansh, Yashasvi, Dhairya, and Aryanshu who presented their innovative project on

the topic “Virtual Lab.” The project demonstrated how technology can be effectively used to create an interactive and engaging virtual learning environment for students.

The students presented their project with confidence and explained its concept, working, and educational applications before the judges. Their dedication, teamwork, technical understanding, and excellent presentation skills were highly appreciated.

We are extremely proud to share that Jamdagni Public School secured the prestigious Third Position among more than 30 participating schools in the competition. This remarkable achievement is a matter of great pride and honour for the entire JPS family. It reflects the hard work and creativity of our students, as well as the continuous encouragement and guidance provided by the school.

We extend our heartiest congratulations to Vansh, Yashasvi, Dhairya, and Aryanshu for this outstanding accomplishment and wish them continued success in all their future endeavours.

“Innovation, teamwork and determination turn ideas into achievements.”
